## GETS Suite for **School Students**

GETS by QAI UK is the world's foremost English Language assessment, enhancement, and monitoring solution for students aged 7 and above.

It elevates students' academic performance in English-medium subjects while cultivating their General English and Oral Communication skills. Built on the Content and Language Integrated (CLIL) concept, it specifically caters to non-native English speakers.

GETS employs the GETS Scale of English, aligned with the globally recognised Common European Framework of Reference (CEFR), and utilises its

proprietary Nine Dimensions of language development and Improvement. With age-appropriate scenarios and questions, GETS employs a proprietary AI-driven Adaptive Testing method for online delivery while also offering a paper-based option for schools.

## Benefits of the **GETS Suite**

Develop English language skills in the context of curricular subjects.

Write and communicate effectively for academic success, e.g. Research reports, Statement of Purpose (SoP), Extended essay and other academic work.

Develop General English skills across Listening, Reading, Writing & Speaking, and Use of English.

Receive an international certification mapped to the CEFR, the world standards.

Better comprehend and understand academic content available in print, digital, and online.

Improve academic performance across subjects that are taught in English medium.

Develop Oral Communication & presentation skills.

## Key highlights of the **GETS Suite**

- World's first certification designed on the CLIL concept to suit non-native English users.
- Designed for school students who are seven years of age and above.
- Designed at different levels:
  - Classes 2 & 3: GETS Elementary
  - Classes 4 & 5: GETS Primary
  - Classes 6 & 7: GETS Secondary
  - Classes 8 & 9: GETS Intermediate
  - Classes 10 & 11: GETS Upper-Intermediate
  - Class 12: GETS Higher \*

*\*GETS Higher is Independently reviewed by Ecctis – formerly UK NARIC, the UK's designated national agency for recognition and comparison of international qualifications and skills)*

# Proprietary Nine-dimensions of the English language development model

GETS uses its proprietary nine-dimension of analysing, assessing, and guiding students to develop their overall English language skills that include Subject language, General English and Oral communication.

## International Certification

The GETS suite is designed, developed and owned by QAI, UK's international awarding, accrediting, assessing and quality assurance body.

The scores are developed on the GETS Scale of English, aligned with the Common European Framework of Reference (CEFR), the world standards in language benchmarking.

The GETS Higher scores are also independently reviewed by Ecctis – formerly UK NARIC, the UK's designated national agency for the recognition and comparison of international qualifications and skills and be at par with the CEFR level A2 to B2.

Let's begin...

Zamit is an innovative solution that revolutionises the school ecosystem with its unique Measure, Improve, and Monitor (M-I-M) method. Powered by an advanced AI model, Zamit offers personalised improvement programmes for students and teachers and insightful impact analyses through Learner Analytics (LA).

Students benefit from our comprehensive co-curricular programme that integrates over a hundred 21<sup>st</sup>-century skills in the context of curricular subjects. The ground-breaking Zamit Quotient (ZQ) surpasses traditional IQ, EQ, and SQ tests and sets the Gold Standard for Future Readiness.

For teachers, Zamit provides Continuous Professional Development (CPD) using its TERM framework, covering over seventy teaching and management skills. Gaining access to a vast Resource Vault provides them with further classroom support.

Zamit also supports students from low-income households with scholarships and offers teachers research grants centring around skills and knowledge integrated learning through The Future Foundation.

In partnership with QAI UK, Zamit awards international certifications mapped to the Regulated Qualifications Framework (RQF) in England, Wales and Northern Ireland (the UK's national accrediting body for qualifications) and it provides high-quality educational content from global experts.
