The Key Elements of Successful Teaching

This programme will help you meet the challenge of change in the modern classroom and become more successful, future-ready, confident and forward-thinking along with being able to respond positively to your learners' wide-ranging learning needs. By the end of this programme, you will have gained a better understanding of what makes a lesson effective, student-centred and practical and will be able to make necessary adjustments to improve your own classroom practices.

Completing this course will help you meet the challenge of change in the modern classroom and become more successful, future-ready, confident and forward-thinking along with being able to respond positively to your learners' wide-ranging learning needs. It will also open doors to national and international employment opportunities and provide you with a globally recognised certification.

Programme Highlights

This programme aims to provide you with practical ideas for becoming a more effective teacher.

In this programme you will

- examine the relationship between the teacher and the learner and learn how to adopt a student-centred approach when teaching;
- explore the concept of self-directed learning for learners;
- receive guidance about effective monitoring and providing objective feedback to your learners;
- consider teaching using authentic materials;
- learn how to create an open, creative and safe place for your students to grow, take risks and feel comfortable whilst taking an active role in their own education and becoming future-ready.

Faculty

This programme is developed and delivered by QAI's team of subject and assessment specialists, teacher trainers, lecturers, conference speakers and researchers.

Assessment and Certification

QAI
Authenticating Learning

Qualifications
and Assessments
International, UK

zamit®

Let's begin...

Zamit is an innovative solution that revolutionises the school ecosystem with its unique Measure, Improve, and Monitor (M-I-M) method. Powered by an advanced AI model, Zamit offers personalised improvement programmes for students and teachers and insightful impact analyses through Learner Analytics (LA).

Students benefit from a comprehensive co-curricular programme that integrates over seventy 21st-century skills in the context of curricular subjects. The ground-breaking Zamit Quotient (ZQ) surpasses traditional IQ, EQ, and SQ tests, setting the Gold Standard for future readiness.

For teachers, Zamit provides Continuous Professional Development (CPD) using its TERM framework, covering 80+ teaching and management skills. Access to a vast Resource Vault further enhances classroom support.

Zamit also supports students from low-income households with scholarships and facilitates skills and knowledge-integrated learning research grants for teachers through The Future Foundation.

In partnership with QAI UK, Zamit awards international certifications mapped to the Regulated Qualifications Framework (RQF), England, Wales & Northern Ireland (UK's regulatory framework), and high-quality educational content from global experts.
